Report on Youth & IT SDG Walk 2047

Title: Youth & IT Sustainable Development Goals Walk 2047

Chief Guest: Shri Jishnu Dev Varma

Governor of Telangana

Venue: Peoples Plaza, Necklace Road

Date: 01 November 2025

Time: 07:00-11:30 Hrs

The Youth & IT SDG Walk 2047 was organized under the visionary initiative “Rising Telangana 2047”, aimed at promoting awareness about the 17 Sustainable Development Goals (SDGs). The event served as a platform to engage young minds in discussions and actions centered on sustainability, equality, and responsible growth, envisioning a prosperous Telangana aligned with the national and global goals for 2047.

The event began with an inspiring address by Shri Jishnu Dev Varma, Hon'ble Governor of Telangana. In his keynote speech, he emphasized the importance of youth-driven participation in achieving the UN's Sustainable Development Goals. He stated that Sustainable Development Goals give us a global roadmap. But to achieve them, policies alone are not enough. What we need is visible action, led by our youth, supported by our institutions, guided by our scientists, and strengthened by government and industry. His words set a motivating tone for the event, reminding everyone that sustainable transformation is only possible through collective and consistent action.

Following the inauguration, 66 students and 2 faculty members actively took part in the 2-kilometer SDG awareness walk. The participants held banners and placards highlighting the 17 goals, including No Poverty, Zero Hunger, Good Health and Well-being, Quality Education, Gender Equality, Clean Water and Sanitation, Affordable and Clean Energy, Decent Work and Economic Growth, Reduced Inequalities, Sustainable Cities and Communities, Climate Action, and Peace, Justice and Strong Institutions. Each placard carried meaningful messages that reflected the urgency of global action and the responsibility of citizens, particularly youth, in achieving these goals by 2047.

The walk not only promoted awareness but also fostered a strong sense of responsibility and teamwork among the participants. It underscored how the youth of Telangana can play a pivotal role in driving social, economic, and environmental change.

The Youth & SDG Walk 2047 concluded with a brief reflection session where students shared their insights on how individual and institutional efforts can contribute to achieving the global goals. Faculty members emphasized integrating sustainability practices in daily life and academics, reinforcing the idea that change begins with awareness and commitment.
