Report on "Enhancing Institutional Excellence through NIRF Ranking"

In the context of increasing emphasis on National rankings Internal Quality Assurance Cell (IQAC), Bhoj Reddy Engineering College for Women has organized a guest lecture titled "Enhancing Institutional Excellence through NIRF Ranking" on 28 July 2026 for Faculty members from 14:30 to 16:30 Hrs. at Seminar Hall-I (WB-401). The program aimed to sensitize the faculty members to NIRF oriented academic planning and research best practices, while fostering for continuous quality improvement

The program was attended by the Speaker Dr K. Bhagyalaxmi, Associate Professor, Department of CSE, Matrusri Engineering College, Secretary-SLV Dr V.Sudha, Director-HR & Academics Dr Gracy Saila Sree, Principal Dr G Shyama Chandra Prasad, Vice-Principal Mr G Dayakar Reddy, HODs & HOFs of all departments, Heads of all Sections, Faculty members from various departments.

The primary objective of the program was to enhance faculty awareness on NIRF metrics and quality benchmarks.

Speaker:

**Dr. K. Bhagyalaxmi, Associate Professor,
Department of CSE, Matrusri Engineering College**

Dr. K. Bhagyalaxmi is currently working as an Associate Professor in the Department of Computer Science and Engineering at Matrusri Engineering College, Hyderabad. She is a distinguished academician with over 21 years of teaching experience in the field of Computer Science and Engineering.

She holds a Ph.D. from SRM Institute of Science and Technology, an M.Tech. (Computer Science and Engineering), and a B.Tech. (Computer Science and Engineering) from Jawaharlal Nehru Technological University (JNTU). She is also UGC-NET qualified.

Her research interests include Artificial Intelligence, Deep Learning, Machine Learning, Medical Image Processing, and Computer Vision. She has published more than 25 research papers in reputed SCI and Scopus-indexed international journals and conferences and is the holder of two published Indian patents in the areas of Artificial Intelligence and Medical Image Processing.

Dr. Bhagyalaxmi has received several prestigious recognitions, including the Technical Activities Supporter Student Branch Award from CSI Hyderabad Chapter (2025), the Women Excellence

Award from CSI Hyderabad Chapter (2023), Best Teacher Awards for the academic years 2022–23 and 2017–18, the Best Paper Award at the International Conference on Data Engineering and Intelligent Systems (ICDEIS-2022), and the Certificate of Appreciation as an NPTEL Discipline Star in Computer Science Engineering (2024).

She has delivered invited talks and guest lectures at various institutions on National Education Policy (NEP 2020), Outcome-Based Education, Effective Teaching and Learning, Educational Evaluation, and Institutional Quality Enhancement. She has also organized numerous faculty development programmes, workshops, guest lectures, training programmes, and technical activities through professional bodies such as CSI, IIC, and NSS.

Dr. Bhagyalaxmi currently serves as the NIRF Coordinator, Institution's Innovation Council (IIC) Innovation Ambassador, and Unnat Bharat Abhiyan (UBA) Coordinator at Matrusri Engineering College. She is a Cisco Certified Faculty, a Life Member of ISTE, a Member of CSI, and an Institutional Member of the Institution's Innovation Council (IIC).

Her extensive academic experience, research excellence, and active involvement in institutional quality initiatives make her a sought-after resource person on NIRF, accreditation, and higher education quality enhancement.

Circular

Bhoj Reddy Engineering College for Women is organizing a Guest Lecture on "Enhancing Institutional Excellence through NIRF Ranking" for faculty members on 28 July 2026 (Tuesday) under the Internal Quality Assurance Cell (IQAC) from 02:30 PM to 04:30 PM, at the Seminar Hall (V/B 401).

The session aims to provide an overview of the National Institutional Ranking Framework (NIRF), including its ranking methodology, assessment parameters, data management practices, and institutional best practices. It will also highlight the role of faculty members in strengthening institutional quality, research, innovation, governance, and overall NIRF performance.

The participants for the guest lecture include HODs, HOFs, Section In-Charges, Head – Research & Development (R&D), Institution's Innovation Council (IIC) Coordinator, Department NSA Coordinators, Department NAAC Coordinators, and nominated faculty members. Each department shall ensure the participation of a minimum of five (05) faculty members, including the above-mentioned representatives.

Guest Lecture Details Resource Person	Date & Time	Venue
Mrs K Bhagya Laxmi Associate Professor, Department of CSE Matrusri Engineering College	28 July 2026 (Tuesday) 02:30 PM – 04:30 PM	Seminar Hall (V/B 401)

Schedule for the Guest Lecture
“Enhancing Institutional Excellence through NIRF Ranking”
on 28 July 2026 at Seminar Hall-I (WB: 201)

S No	Time (Hrs)	Speaker
1	14:30-14:35	Welcome note by Ms V Pushpa Rani, Assistant Professor
2	14:35-14:45	Keynote address by Principal Dr G Shyama Chandra Prasad
3	14:45-16:25	Lecture by the Speaker Dr K Bhagyalaxmi
4	16:25-16:30	Vote of Thanks by Ms V Pushpa Rani

Ms R Manju Bhargavi
Co-ordinator IQAC

Principal
Dr G Shyama Chandra Prasad

A guest lecture on 'Enhancing Institutional Excellence through NIRF Ranking' was organized by the IQAC cell with the objective of creating awareness among faculty members regarding the significance of the National Institutional Ranking Framework (NIRF). The session highlighted the parameters used in institutional rankings and discussed strategies for improving academic quality, research performance, innovation, and overall institutional development.

The resource person explained the purpose, and objectives of NIRF introduced by the Ministry of Education, Government of India. The session covered the five major NIRF parameters: Teaching, Learning and Resources (TLR); Research and Professional Practice (RP); Graduation Outcomes (GO); Outreach and Inclusivity (OI); and Perception (PR). Practical strategies such as strengthening research culture, promoting interdisciplinary collaboration, improving publication quality, encouraging faculty development, enhancing industry partnerships, and ensuring transparent data reporting were discussed.

The resource person also presented an analytical overview of NIRF rankings of 2025. She also explained the complete procedure for filling the NIRF application, emphasizing the importance of accurate data collection, validation, proper documentation and timely submission.

The lecture provided participants with a clear understanding of the NIRF framework and inspired them to contribute actively towards academic excellence, research productivity, innovation, and institutional development. The guest lecture concluded with interactive discussions.
