## Department of Electrical and Electronics engineering

### Report on JNTUH XI Convocation

JNTUH XI Convocation was held at JNTUH Auditorium, Kukatpally, Hyderabad on 18 March 2023 from 11:00AM to 1:00PM. I have attended this felicitation ceremony organized by the university to honour our EEE student, Kondam Amukthamalyada, Roll No 18321A0204 who received the University Gold Medal for outstanding academic achievement in B.Tech Electrical and Electronics Engineering stream for securing highest CGPA of 8.63 out of all affiliated Colleges.

The event began at 11:00 AM with a brief introduction by the master of ceremonies, who welcomed everyone to the ceremony and provided an overview of the proceedings.

At 11:15 AM, event started with National Anthem and the declaration of opening of ceremony by Hon'ble Governor Dr Tamilisai Soundararanjan. This was followed by the presentation of University report by Prof. Katta Narasimha Reddy, Vice-Chancellor JNTUH and convocation address by guest, Dr Krishnaswamy Kasturiragan. Then, Hon'ble Governor Dr Tamilisai Soundararanjan, addressed the gathering and spoke about the importance of academic excellence. Her words of encouragement were inspiring and resonated deeply with everyone present.

The atmosphere was charged with excitement and anticipation, as everyone eagerly awaited the arrival of the student who was to be felicitated. The students who received the medals were then invited to the stage, amidst thunderous applause and cheers from the audience. Our EEE student K Amukthamalyada was presented with the gold medal and the certificate by the Hon'ble governor, as a mark of recognition for their outstanding achievement. As a faculty member and HOD-EEE, it is truly rewarding to see our student achieve such remarkable success and be recognized for their exceptional academic achievements.

At 1:00PM, the dissolution of convocation was announced by the Chancellor and the event was closed with National Anthem

Overall, the felicitation ceremony was a memorable and inspiring event, which highlighted the importance of hard work, dedication, and perseverance in achieving academic excellence. I hope that this recognition will inspire other students to strive for excellence.

Once again, I express my gratitude for being a part of this joyous occasion. I thank our Management and Principal for giving me permission to attend the event. I look forward to witnessing many more such accomplishments from our students in the future. Thank you for your consideration.

By  
S Deepti  
HOD-EEE
