A Career Guidance Program on “**Global Education and Career Guidance**” was conducted on **3rd September 2025** from 14:30 to 16:30 Hrs at West Block, Seminar Hall (WB-402) for IV EEE, ECE & CSM students, to provide insights into international educational opportunities and career pathways. The session aimed to bridge the gap between academic pursuits and global career aspirations by offering expert advice and practical knowledge.

Fig:1 Inguaral Session

The session was led by Gopal T. K. Krishna, President, Krishna Engineering Consultants, Inc., West Des Moines, Iowa, United States, an experienced person with a strong background in global education consulting. The speaker shared valuable insights on preparing for studies abroad, selecting appropriate universities and planning long-term career goals.

The session saw enthusiastic participation from students, who displayed strong interest and asked thoughtful questions about their future plans, university choices, and career strategies. The lecture received positive feedback from the attendees, who appreciated the depth of knowledge and practical advice offered by the speaker. The session was informative, inspiring, and helped students gain clarity on planning for a global career
