E-Summit'26 IIT Roorkee

Hello,

Thank you for registering for E-Summit'26, IIT Roorkee!

We're pleased to inform you that your registration and payment have been successfully confirmed.

Registration Details

Event: E-Summit'26, IIT Roorkee

Dates: 6-8 February 2026

Status: Registration & Payment Confirmed

You will receive your **E-Summit ID**, **QR code**, and the **No Objection Certificate (NOC)** in an upcoming email. These documents will be required for entry and on-ground verification, so please keep them handy and ensure the NOC is duly filled before arriving at the campus.

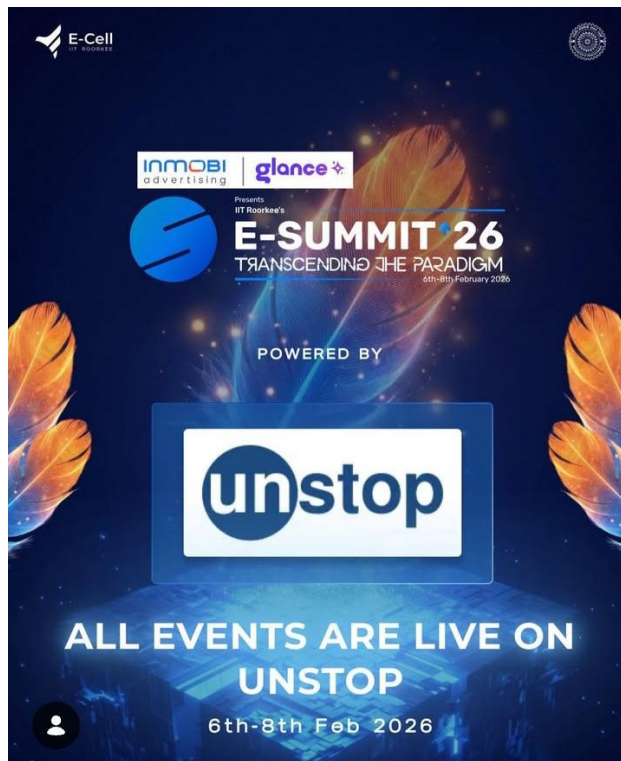

Further information regarding the event schedule, accommodation (if applicable), and important guidelines will be shared closer to the summit.

If you have any questions, feel free to reach out to us at esummit@iitr.ac.in.

We look forward to welcoming you to E-Summit'26 and making it a memorable experience!

Warm regards,
Team E-Cell
IIT Roorkee

ACTIVITY REPORT

General Information

Type of Activity	Industrial Visit
Title of the Activity	Industrial Visit to IIT Roorkee
Date(s)	6th Feb 2026 -8th Feb 2026
Time	9:30 AM- 4:30 PM
Venue	Indian Institute of Technology (IIT), Roorkee, Uttarakhand
Collaboration/Sponsor (if any)	E-Cell IIT Roorkee

Speaker/Guest/Presenter Details

Name	Startup Founders, Industry Experts, and IIT Roorkee Coordinators
Title/Position	Startup Founders / CEOs / Industry Mentors / Innovation Coordinators
Organization	IIT Roorkee
Title of Presentation	Startup Pitch Evaluation, Innovation Insights & Entrepreneurship Guidance
Short Profile of the Resource Person	<p>The session at IIT Roorkee was conducted in the presence of multiple startup founders, industry experts, and innovation mentors from various emerging companies and entrepreneurial backgrounds. These professionals brought with them extensive real-world experience in building startups, product development, business strategy, and scaling innovative ideas.</p> <p>The event was part of the final evaluation round, where student teams presented their projects and ideas. The panel of judges, consisting of startup founders and industry experts, carefully analyzed each project based on creativity, feasibility, technical implementation, and real-world impact. They provided constructive feedback, suggestions for improvement, and guidance on transforming ideas into viable startup solutions.</p> <p>Along with them, coordinators and organizing members from IIT Roorkee, including E-Cell representatives and student coordinators, actively managed the event. They ensured smooth execution, guided participants throughout the process, and facilitated interactions between students and industry experts.</p> <p>The presence of such a diverse and experienced panel helped students gain deep insights into entrepreneurship, innovation, and industry expectations. It also gave them exposure to real-time evaluation standards followed in startup ecosystems.</p>

Participants Profile

Type of Participants	II B Tech IT B
No. of Participants	8

Synopsis of the Activity (Description)

Highlights & Summary of the Activity	<p>Event Details</p> <p>Title: Industrial Visit to IIT Roorkee</p> <p>Date & Time: 6th Feb 2026 -8th Feb 2026</p> <p>Venue: IIT Roorkee Campus</p> <p>Activity Type: Industrial Visit & Project Evaluation (Final Round)</p> <p>Participants: II B.Tech IT Students</p> <p>Total Attendees: 8 students</p>
Key Takeaways	<p>The participation in E-Summit 2026 at Indian Institute of Technology Roorkee provided a comprehensive learning experience through active involvement in events such as CaseQuest, DataForge, MarketSphere, Productathon, and Mind the Product. Each competition contributed uniquely to enhancing different skill sets, ranging from analytical thinking and data interpretation to product design and market strategy. Through CaseQuest, students developed structured problem-solving approaches, while DataForge strengthened their ability to analyze and interpret complex datasets for decision-making.</p> <p>MarketSphere provided insights into real-world market dynamics, branding, and strategic positioning, whereas Productathon and Mind the Product focused on innovation, product development, and user-centric design thinking. Participating in these diverse events enabled students to understand the complete lifecycle of transforming an idea into a viable product or business solution.</p> <p>A significant highlight was reaching the national-level final rounds, where projects were evaluated by startup founders and industry experts. This exposure helped students understand real-world evaluation standards, including feasibility, scalability, and innovation.</p>

Follow-up plan	<p>To build upon the knowledge and experience gained from participating in CaseQuest, DataForge, MarketSphere, Productathon, and Mind the Product during E-Summit 2026, a structured and continuous follow-up plan will be implemented. Students will be encouraged to further refine the ideas and solutions developed during these competitions and convert them into well-defined academic projects or potential startup concepts. Special emphasis will be placed on improving the feasibility, scalability, and real-world applicability of these ideas through faculty mentorship and guided development.</p> <p>In order to strengthen entrepreneurial and technical skills, dedicated workshops and training sessions on business strategy, product development, data analytics, and pitch presentation will be organized. Students will also be motivated to participate in similar national-level competitions, hackathons, and innovation challenges to gain further exposure and practical experience.</p> <p>Regular review sessions will be conducted to monitor progress, provide constructive feedback, and help students overcome challenges faced during implementation. Collaborative learning will be encouraged through group discussions, peer evaluations, and knowledge-sharing platforms, enabling students to learn from diverse perspectives.</p> <p>Furthermore, students will be guided to explore internship opportunities, certification programs, and research initiatives related to entrepreneurship and emerging technologies. This continuous engagement will ensure that the learning gained from E-Summit 2026 is effectively translated into long-term academic growth, skill development, and career advancement.</p>
