Synopsis of the Activity (Description)

Highlights & Summary of the Activity	<p>Event Details</p> <p>Title: Industrial Visit to WE-Hub, Telangana</p> <p>Date & Time: 18 March 2026, 9:30 – 16:30 Hrs</p> <p>Venue: WE-Hub, Telangana</p> <p>Target Audience: III B.Tech IT (A & B) students</p>
--------------------------------------	--

	<p>Speaker: Ms Simron Maity</p> <p>Total Attendees: 146 students</p>
Key Takeaways	<p>The industrial visit to WE Hub provided students with valuable exposure to the startup ecosystem and women entrepreneurship initiatives. Participants gained insights into how startups are incubated, supported, and scaled through structured mentoring, funding opportunities, and networking platforms.</p> <p>Students learned about the process of idea validation, business model development, and the importance of innovation in solving real-world problems. The visit also highlighted the role of WE Hub in empowering women entrepreneurs and fostering inclusive growth in the startup ecosystem.</p> <p>Interaction with industry experts helped students understand practical challenges faced by startups, including funding, market strategy, and product development. The session encouraged entrepreneurial thinking, creativity, and problem-solving skills among students.</p> <p>Overall, the visit bridged the gap between academic learning and industry practices, inspiring students to explore entrepreneurship, innovation, and startup-based career opportunities.</p>
Follow-up plan	<p>To build upon the insights gained during the industrial visit to WE Hub, students will be encouraged to develop innovative ideas and work on startup-oriented mini-projects. Faculty members will guide students in identifying real-world problems and formulating viable business solutions using design thinking approaches.</p> <p>Entrepreneurship-focused sessions, including workshops on business model development, pitching, and funding strategies, will be organized to deepen students' understanding of the startup ecosystem. Students will also be encouraged to participate in ideathons, hackathons, and startup competitions to enhance their practical exposure.</p> <p>A mentorship support system will be initiated to help interested students refine their ideas and convert them into prototypes or early-stage startups. Regular review meetings and group discussions will be conducted to track progress and provide constructive feedback.</p> <p>Additionally, students will be motivated to engage with platforms like WE Hub for internships, training programs, and networking opportunities, thereby strengthening their entrepreneurial skills and career readiness.</p>
