Department of Information Technology National Level Technical Event JIJNASA 2024

1 March 2024

Event Name: “Blind Coding”

Event Description: Blind coding is an individual programming competition that challenges students to write code without being able to see it. It consists of two rounds. Students are given a programming problem and have a set amount of time to write their code with their computer screen turned off.

(Top 30 students will be shortlisted for Round-2)

Event Time: 11:00 Hrs to 12:00 Hrs(Round-1)
14:00 Hrs to 15:00 Hrs(Round-2)

Event Venue: IT Lab 2&3(SB 212&213)

Event Date: 1st April 2024

Round-1: C program simple code

Round-2: C program statement of high complexity will be given

Eligibility:

- This opportunity is open to undergraduates only.

Rules:

1. Only problem statement (C program) will be provided.
2. Code for the given problem statement should be generated by yourself.
3. Students have to type the code with MONITOR SWITCHED OFF.
4. 45 min will be given for generating the code as well as to type the code.
5. Students ended with minimum errors, will be announced as winners based on the results of compilation and execution.
6. In case of tie in number of errors, time of seconds will be considered.

General Guidelines:

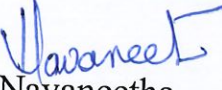

1. **ID card** is mandatory.
2. Time management will be strictly followed.
3. This is an individual event.
4. The time is already mentioned that 45 min will be given to complete the task and no extra time given.
5. The best three students will get selected based on their performance and will be given **cash prize**.
6. All the students will get **participation certificate**.

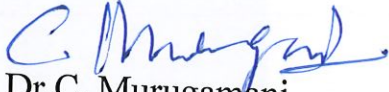

Note:

1. The judging panel reserves the rights to disqualify the studentt, if any of the rules given above are breached by any studentt.
2. Time limit is most important.
3. Don't try to copy the code from the ones sitting alongside.

Event Coordinators:

1. Dr M Sandhya Rani 
2. G Sudhakar Raju 
3. G Jyothi 
4. S Revathi 
5. P Ganesh Kumar 
6. B Anitha
