## ACTIVITY REPORT

### General Information

Type of Activity	<b>Student Workshop</b>
Title of the Activity	<b>A Workshop on “Google Gemini-Prompt to Possibilities”</b>
Date(s)	<b>19 December 2025</b>
Time	<b>9:30- 12:30 Hrs.</b>
Venue	<b>Seminar Hall - II (WB 402)</b>
Collaboration/Sponsor (if any)	<b>SLV</b>

### Speaker/Guest/Presenter Details

Name	<b>1. Ms Reya Doshi, 2. Ms Vaishnavi Patil</b>
Title/Position	<b>Google Student Ambassadors from IT Department.</b>
Organization	<b>Home College</b>
Title of Presentation	<b>“Google Gemini-Prompt to Possibilities”</b>
Short Profile of the Resource Person	<p>1. Ms. Reya Doshi is an aspiring software engineer and a second-year B.Tech student in Information Technology at Bhoj Reddy Engineering College for Women, Hyderabad. She is passionate about technology, coding, and problem-solving, with foundational knowledge in C programming and Python, and a keen interest in Data Structures, Web Development, and emerging technologies.</p> <p>She has actively contributed to various technical and leadership roles, including serving as a Google Student Ambassador, where she conducted hands-on workshops for over 100 participants, promoting the use of AI tools. She has also worked as a Campus Ambassador for E-Cell IIT Roorkee, fostering student engagement and awareness of entrepreneurial initiatives. Currently, she is part of the Design and Marketing team at KKR Corporations, contributing to website development and digital branding.</p> <p>With strong communication skills and a proactive learning attitude, she is dedicated to continuous growth and aims to build impactful solutions in the field of technology.</p> <p>2. Ms. Vaishnavi Patil is a second-year B.Tech student in Information Technology at Bhoj Reddy Engineering College for Women, Hyderabad. She is an enthusiastic and aspiring software developer with strong foundational skills in Java, C, and Python, and is currently strengthening her expertise in Data Structures.</p> <p>She actively contributes to the tech community through leadership roles such as Google Student Ambassador, Campus Ambassador for E-Cell IIT Roorkee, and Campus Mantri at GeeksforGeeks.</p>

	<p>With a keen interest in web development, IoT, and software development, she is driven by a product-oriented mindset and a passion for building real-world solutions.</p> <p>Committed to continuous learning and innovation, she aims to grow as a future tech leader and contribute meaningfully to the evolving technology landscape.</p>

## Synopsis of the Activity (Description)

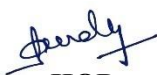

Highlights & Summary of the Activity	<p><b>Event Details</b></p> <p><b>Title:</b> Google Gemini-Prompt to Possibilities</p> <p><b>Date &amp; Time:</b> 19 December 2025, 9:30 – 12:30 Hrs</p> <p><b>Venue:</b> Seminar Hall (WB 402)</p> <p><b>Target Audience:</b> II B.Tech IT (A &amp; B) students</p> <p><b>Speaker:</b> Ms. Reya Doshi and Ms. Vaishnavi Patil</p> <p><b>Total Attendees:</b> 139 students</p>
Key Takeaways	<p>The one-day workshop on “Google Gemini: Prompt to Possibilities” provided students with valuable insights into the practical use of emerging AI technologies. Participants developed a foundational understanding of Google Gemini and its applications in academic and real-world problem-solving. The session emphasized the importance of prompt engineering, enabling students to design effective inputs to generate meaningful and accurate outputs.</p> <p>Through hands-on activities, students gained practical exposure to AI-driven content generation and problem-solving techniques. The workshop also encouraged collaborative learning, as participants engaged in team-based exercises and mini-project development, enhancing their communication and teamwork skills.</p> <p>Additionally, the session improved students’ critical thinking abilities by guiding them on how to refine prompts and analyze AI-generated responses. It also created awareness about the growing relevance of</p>

	AI tools in industry and research. Overall, the workshop equipped students with actionable knowledge and skills that can be applied in their academic projects and future career pursuits.
Follow-up plan	<p>To ensure the effective continuation of learning from the workshop on “Google Gemini: Prompt to Possibilities”, a structured follow-up plan will be implemented. Students will be encouraged to apply prompt engineering techniques in their academic assignments, mini-projects, and presentations. Faculty members will guide students in integrating AI tools like Google Gemini into subject-related tasks and problem-solving activities.</p> <p>A series of advanced sessions and hands-on practice workshops will be organized to deepen students’ understanding of AI applications, including real-time use cases in coding, research, and content generation. Additionally, students will be motivated to participate in hackathons, technical competitions, and project-based learning activities involving AI tools.</p> <p>Periodic assessments and feedback sessions will be conducted to evaluate students’ progress and address challenges faced while using AI tools. A collaborative learning environment will be fostered through peer discussions, group projects, and knowledge-sharing sessions.</p> <p>Furthermore, students will be encouraged to explore certifications and online courses related to AI and prompt engineering to enhance their technical competencies and career readiness.</p>
