## Department of Information Technology Blind Coding Report

The "Blind Coding Challenge" is a unique coding competition that tests participants' ability to write accurate and efficient code without the aid of visual cues. This challenge emphasizes logic, syntax, and algorithmic thinking, pushing coders to rely solely on their understanding of programming concepts.

As part of *JIJNASA 2025*, the Department of Information Technology organized the "Blind Coding" event on **6th March 2025**, from **11:30 AM to 3:30 PM**. The event was skillfully coordinated by **Dr. M. Sandhya Rani**, along with **Co-Coordinator Mr. G. Sudhakar Raju**, supported by dedicated staff and student in-charges from various classes.

The event witnessed an overwhelming response, attracting participants from multiple colleges across **Telangana, Andhra Pradesh, and Tamil Nadu**. A total of **54 participants** registered and actively engaged in the challenge. Each participant was tasked with solving a **C programming problem statement** by writing, compiling, and executing the code within a **45-minute** timeframe.

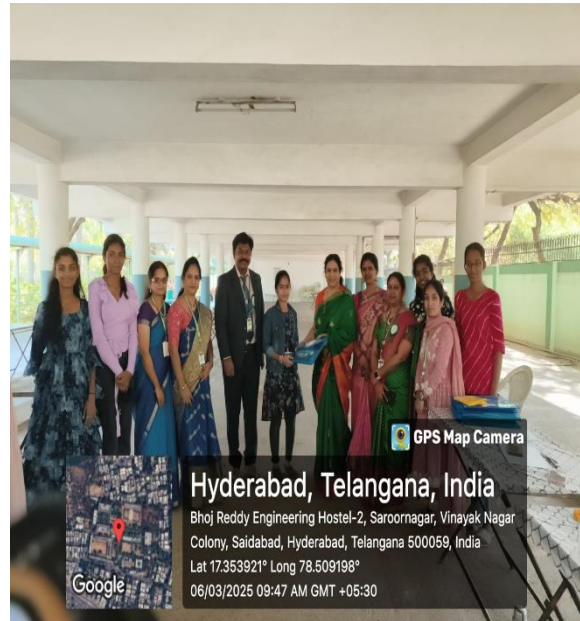

The event proved to be a successful platform for students to demonstrate their coding skills, enhancing their problem-solving abilities and resilience under pressure.

### Event Details:

#### 1. Registrations

Participants were advised to report at the Blind Coding Registration Desk on 06.03.2025 at 8:30 am onwards. The event registration closed by 10:00 am. Registration Desk member details:

Staff Names	Student Volunteers
1.Mr P Ganesh , Asst. Professor	1 S. Nainjeeth kour-8019644990
2. Ms M Sravanthi ,Asst. Professor	2. Rishitha-9392619276
3.Ms P Pavani, Lab Programmer	3. Preethi-9247798862

## 2. Inaugural of the Event:

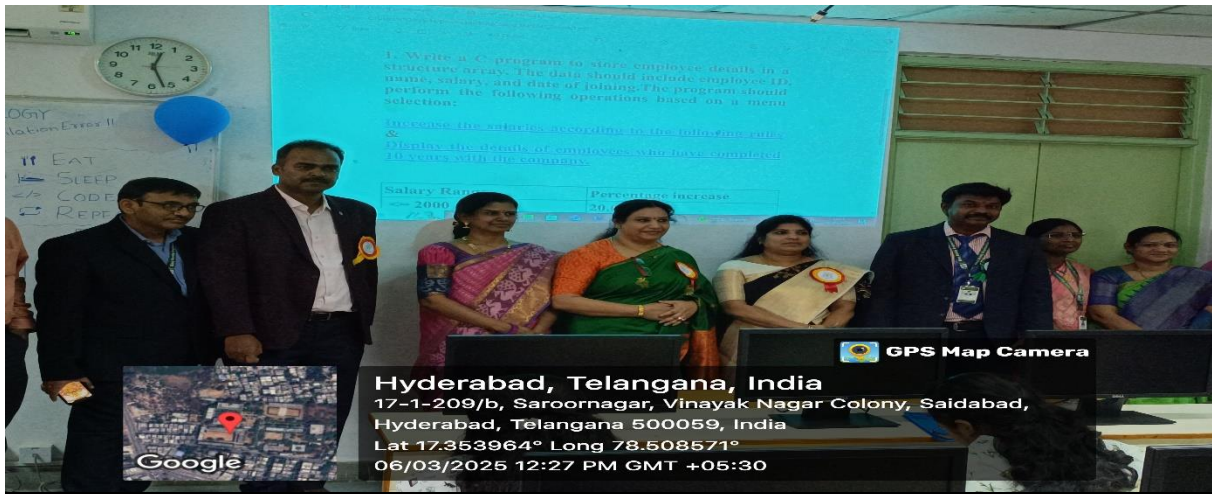

The event was inaugurated by Dr. Sridevi, Associate professor, JNTUH, Dr. Sujatha Gangadhar, Chief Operating Officer, SLV and Dr C Murugamani, HOD-IT, IT staff and all event coordinators with participants at 11.50am in IT Lab1.

## 3. Round 1:

All the participants who were registered for Bling Coding event were advised to report in the IT lab1 at 11.45 am. Round 1 is conducted in the Forenoon session from 11.45am to 12.45pm. Each participant was tasked with solving a **C programming problem statement** by writing, compiling, and executing the code within a **45-minute** timeframe.

## 4. Round 2

The 30 short listed participants of Round 1 are reported at 2.45 pm for next round. Round 2 conducted in Lab 1 of IT Department. Based on time stamp and error free code is evaluated for assessment of round 2 winners, three members were selected as winners. Esteemed Guest, Dr Dineesh Kumar, Assoc. Professor, Department of CSE, Bhoj Reddy Engineering College for Women, as Event Judge and distributed the certificates to participants.

The 3 winners are awarded with cash prize and certificate during the valedictory ceremony on the second day of the JIJNASA-2k24 i.e 7<sup>th</sup> March 2025.

**The Following are the winners' details:**

**First prize :**  
 J Soumya I IT-B

Bhoj Reddy Engineering College for Women

**Second prize :**

R Hema Satya Varshini III IT A

Bhoj Reddy Engineering College for Women

**Third prize :**

D Sahasra I IT B

Bhoj Reddy Engineering College for Women

**Ms. Manju Bhargavi, Convener Jijnasa 2025, presenting certificate and cash prize to winners**

**Coordinators, volunteers and winners**
